Dear Jack:

Attached is a copy of the NOV I discussed on my voicemail yesterday. I know my voicemail was long but I wanted to provide as much info as can for when we talk.

On another note, Deborah Jordan, Sylvia Quast(Regional Counsel) and I would like to sit down with you and your counsel in April to discuss our cases with with the district. Who can I direct Deborah's scheduler to work with?

Regards,
Amy C. Miller, Director

Dear Jack:

Attached you will find a Notice of Violation that I signed and sent to Schnitzer Steel today. We have also shared a copy with your staff and Todd Sax at California Air Resource Board. We appreciate all of the cooperation your staff has given us with this investigation. Please feel free to give me a call with any questions.
